Best Practices -1

Title : ICT – Information Communication Technology as a tool for teaching & learning.

Goal :

- a) To make the teaching learning process more effective so that both the teacher and the taught get profoundly involved in knowledge enhancement and enhance competitiveness with the use of ICT through experiential learning.
- b) To make the teaching learning process more interesting by one to one interaction, out of classroom exercise and make students love learning.
- c) To promote technology literacy among students and keep them interested.

Context : The use of ICT in the teaching learning process has been initiated to make the teachers perform better and enhance their teaching ability.

The practice : Creativity and innovation go hand in hand. Our teachers have always stood up for innovations in teaching, hence, seek to experiment with new methods of teaching.

- 1) To make the teaching process more effective our teachers use smart boards in the class room in at least 25% of their total teaching
- 2) Teachers make use of PPT in their teaching as students can relate more to what they see and learn better.
- 3) Students are encouraged to prepare Power Point Presentations which helps them in learning better and keeps them interested in the subject.
- 4) Our Post Graduate Teachers and students use Google class room.

Evidence of success :

- 1) Power Point Presentation by B.Com. students on Swami Vivekanand.
- 2) As most of our students come from rural background students have learnt use of technology through practice in the English language laboratory.
- 3) Many of our teachers make use of ICT in teaching in the auditorium, Physics lab, Computer lab, PG class room, audio visual room.
- 4) Soft skills are taught through ICT class under CGC session.

Best Practice- 2

Innovations and Best Practices

Title: To imbibe spirit of Nationalism among youth.

Goal: To strengthen the present goals and work to enhance them. To motivate the teaching, non-teaching staff and students for community service and to participate exuberantly in all round activities with added importance to National Festivals.

Context:-NV Society is a Centenarian Institute. The founder of this prestigious educational institute is Late Sri Vithalrao Deulgaonkar, who was influenced by the ideals of Lokmanya Bal Gangadhar Tilak. As the fire of freedom movement raged vehemently, Sri Deulgaonkar established this institute to bring in together all categories of people and unite them under National Oneness.

The Practice:-N.V Society has initiated and involved all categories of Citizens of Kalaburagi city for celebrating Gandhi Jayanti, in order to pay tributes and honour the struggle of the Father of our Nation, Mahatma Gandhi, in getting Independence for our country. Dr Deolgaonkar, a true Gandhian & freedom fighter initiated the installation of Gandhiji's statue at the city Public Garden. Gandhi Jayanti is celebrated in association with the Khadi Gram Udyog Sangha, Kalaburgi and Swami Ramanand Teerth Trust. Prayer meeting is held at the Corporation garden with Sarva Dharma Prayers .

A prayer meeting is also held at the sacred place, where Gandhiji had held a meeting with the populace at N V Society's Kanya Shala during his visit to Gulbarga, in the year 1927. A day long programme is held at N V Society's Sangmeshwar Auditorium. All the staff along with students indulge into many purposeful activities including commemorative ceremonies, speeches by students on Gandhiji's Principles with community services and sharamadana. On the same day Sri Lalbahadur Shastriji's birth anniversary is also celebrated with reverence.

Swami Vivekanand jayanti is celebrated with fervour and students participate with great enthusiasm every year on 12th January.

Our Independence and Republic Days are celebrated by the N.V.Society at the huge play ground. All the staff and students participate with great pride.

Evidence of Success:- Students have been sensitized and have put in their might through various activities. A Solidarity march was initiated by students in support of the Martyrs of Uri on 23/9/2016. The march joined by the Management, Teaching, and Non- teaching staff and students was taken to the D. C. Office from our College. Rs 51,000 was collected and donated towards the Army Corpus Fund, from our institution.

SWOT Analysis

Strength :

- N.V. Society is a 100 year old institution, established in 1907. Founder late Sri Vithalro Deulgaonkar, a lawyer and freedom fighter, influenced by the ideals of Lokmanya Balgangadhar Tilak founded this institution to inculcate a sense of patriotism and National Pride in the background of the freedom movement.
- Our institution is centrally located, with quick access to medical, transport and other facilities.
- We have rare subjects like music & fine art to keep alive our cultural heritage and ethics.
- Ours is a clean and green campus with importance to natural and pollution free environment
- Rain water harvesting, solar power source and solid waste management are our strengths.
- We have a well furnished and spacious library having INFLIBNET facility, which houses a separate reading room. We also have a separate digital library.
- Well equipped laboratories, huge campus, spacious auditoriums, open air theatres.
- Huge playground with standardized running tracks, cricket, football and hockey ground and standard gymnasium for physical fitness and health consciousness.
- Extensive use of ICT, 3 computer centres, digital library and office automation are our major strength.
- Career Guidance Cell, Women's Cell, Hobby Club, NSS, Red Cross & Placement Cell cater to the personality building of our students.

- Best Student award is given in each faculty every year on the basis of merit and extra curricular activities.

Weakness :

- Grant in aid policy of the government : Most of the teachers are appointed by our Management and come under Non –grant in aid.
- Internal revenue generated is insufficient.
- We do not have any professional courses to offer. These are only courses in Basic Sciences, Arts and Commerce.
- No grants from the government, except salary grant for aided staff members.

Opportunities :

- We have sufficient student strength in all subjects and classes
- Career Guidance Cell, Women’s Cell, Hobby Club, NSS, Cultural and Literary activities help in the overall development of students.
- As the placement cell is tied up with numerous reputed firms & companies, it helps our students in choosing & getting in to the right job.
- Being a college brought up with national spirit, the institution provides education to all categories of students who come from rural, semi-urban, economically weak and socially less privileged sections of the society. We can proudly say that our co-education college boasts of more number of girl students in tune with the spirit of providing quality education to girls of our country and make them self sufficient.

Threats :

- As our college expenses is based on a mixture of Govt. grants and N.V. Society funds, meeting the growing demand of higher education is a major threat.
- Highly qualified, non-grant-in-aid teachers prefer to leave for better paying jobs and opportunities.
- Lesser job opportunities is leading to decreased strength in Arts faculty
