

A PROFILE OF DEPARTMENT OF ECONOMICS

INTRODUCTION :

The Department of Economics took its birth right from the inception of the college i.e. in the month of June 1979. The Department had the captaincy of Shri. B. Ramachar, who was also the Principal then. Under his able guidance Shri. Anandteerth Kittur and Smt. Sandhya Tavag worked as part-time lectures in the college for the first two years. In the year 1981, both of them were re appointed as full-time and permanent lecturers in Economics. Rich experience in teaching and love of verbose English of the then principal made indelible impression on the young and fertile minds of the two youngsters. Thus, a firm foundation of Economics Department was laid. Due to marriage Smt. Sandhya Tavag migrated to Pune, resigning the job. This paved the way for the appointment of another young and energetic lecturer Sri. U.G. Sirdeshpande, by the selection committee. Thus, Sri. U.G. Sirdeshpande joined the Economics Department on 10th December 1984 and is working in complete harmony with Dr. Anandteerth Kittur. Since then, both of them are handling classes to both Arts & Commerce students of the college.

In case of Arts, students Opt Economics as one of the 3 subjects of equal importance out of their keen interest in Economics. Whereas, all the student of commerce (B.Com) faculty study Economics, as it is a compulsory subject in all the three years. Even then, experience shows that B.Com students have been evincing keen interest and curiosity in understanding topics of Economic relevance.

To meet the additional teaching workload in the department, Miss haya Mandarwadkar (Rank Student and past student of the college) joined the department as a part-time lecturer. She was extended full co-operation and guidance in her work by the seniors. She was enjoying her work and it was a learning experience to her. But again, due to matrimonial factor, she migrated U.S. Again another past student of the college Sri Narasimha Kulkarni filled

vacancy and made the loss good. Since 1996, he is working as a part-time lecturer in our college.

Apart from revision, repetition, time to time guidance is also extended to the students along with classroom lessons regarding improving and strengthening their vocabulary, grammar usage, avoiding common errors in writing answers and drawing diagrams. This has proved to be very fruitful and beneficial to the students in improving their performance and enhancing their communication skills.
