Best Practices -1

Title: ICT – Information Communication Technology as a tool for teaching & learning.

Goal:

a) To make the teaching learning process more effective so that both the teacher and the

taught get profoundly involved in knowledge enhancement and enhance competitiveness

with the use of ICT through experiential learning.

b) To make the teaching learning process more interesting by one to one interaction, out of

classroom exercise and make students love learning.

c) To promote technology literacy among students and keep them interested.

Context: The use of ICT in the teaching learning process has been initiated to make the

teachers perform better and enhance their teaching ability.

The practice: Creativity and innovation go hand in hand. Our teachers have always stood up

for innovations in teaching, hence, seek to experiment with new methods of teaching.

1) To make the teaching process more effective our teachers use smart boards in the class

room in at least 25% of their total teaching

2) Teachers make use of PPT in their teaching as students can relate more to what they see

and learn better.

3) Students are encouraged to prepare Power Point Presentations which helps them in

learning better and keeps them interested in the subject.

4) Our Post Graduate Teachers and students use Google class room.

Evidence of success:

1) Power Point Presentation by B.Com. students on Swami Vivekanand.

- 2) As most of our students come from rural background students have learnt use of technology through practice in the English language laboratory.
- 3) Many of our teachers make use of ICT in teaching in the auditorium, Physics lab, Computer lab, PG class room, audio visual room.
- 4) Soft skills are taught through ICT class under CGC session.

SWOT Analysis

Strength:

- N.V. Society is a 100 year old institution, established in 1907. Founder late Sri Vithalro Deulgaonkar, a lawyer and freedom fighter, influenced by the ideals of Lokmanya Balgangadhar Tilak founded this institution to inculcate a sense of patriotism and National Pride in the background of the freedom movement.
- Our institution is centrally located, with quick access to medical, transport and other facilities.
- We have rare subjects like music & fine art to keep alive our cultural heritage and ethics.
- Ours is a clean and green campus with importance to natural and pollution free environment
- Rain water harvesting, solar power source and solid waste management are our strengths.
- We have a well furnished and spacious library having INFLIBNET facility, which houses a separate reading room. We also have a separate digital library.
- Well equipped laboratories, huge campus, spacious auditoriums, open air theatres.
- Huge playground with standardized running tracks, cricket, football and hockey ground and standard gymnasium for physical fitness and health consciousness.
- Extensive use of ICT, 3 computer centres, digital library and office automation are our major strength.
- Career Guidance Cell, Women's Cell, Hobby Club, NSS, Red Cross & Placement
 Cell cater to the personality building of our students.

 Best Student award is given in each faculty every year on the basis of merit and extra-curricular activities.

Weakness:

- ➤ Grant-in-aid policy of the government : Most of the teachers are appointed by our Management and come under Non–grant in aid.
- > Internal revenue generated is insufficient.
- ➤ We do not have any professional courses to offer. These are only courses in Basic Sciences, Arts and Commerce.
- ➤ No grants from the government, except salary grant for aided staff members.

Opportunities:

- ➤ We have sufficient student strength in all subjects and classes
- ➤ Career Guidance Cell, Women's Cell, Hobby Club, NSS, Cultural and Literary activities help in the overall development of students.
- As the placement cell is tied up with numerous reputed firms & companies, it helps our students in choosing & getting in to the right job.
- ➤ Being a college brought up with national spirit, the institution provides education to all categories of students who come from rural, semi-urban, economically weak and socially less privileged sections of the society. We can proudly say that our co-education college boasts of more number of girl students in tune with the spirit of providing quality education to girls of our country and make them self sufficient.

Threats:

- As our college expenses is based on a mixture of Govt. grants and N.V. Society funds, meeting the growing demand of higher education is a major threat.
- ➤ Highly qualified, non-grant-in-aid teachers prefer to leave for better paying jobs and opportunities.
- Lesser job opportunities is leading to decreased strength in Arts faculty
